Easter Vigil – April 3: This ancient and beautiful liturgy takes us on a journey from darkness to light, featuring four parts: the lighting of Easter fire, readings of creation and salvation, baptism, and celebration of communion. Each of the four parts is held in a different location on campus: Our journey begins in darkness as the Easter fire is lit outdoors (weather permitting!) at the south, upper lot entrance. We process to the Celebration Center for the readings, moves into the Gathering Space for the baptismal liturgy, and continue in the fully-lit Sanctuary for a celebration of the resurrection with communion.

7:00 pm (Far Hills Campus)

Easter Sunday, April 4: All services are joyful celebrations of the resurrection, with sermons by Pastor John Bradosky in Centerville and Pastor Todd Kornahrens in Springboro. Holy Communion is offered at every service. Please note distinct worship times at the Far Hills Campus: Beginning at 8:00am, there is a 60 minute service offered every 45 minutes through 11am, alternating between the Sanctuary and the CC.
